**Assignment Element 1: Team Company Strategy Presentation**

# Evidence: Strategy Presentation Slide Deck & Registration Form

Upload a copy of the final slide deck and a **link** to your registration form. You can use the evidence function to add more than one piece of evidence - for example you can upload your slide deck, and add a link to other evidence. Ensure you've made your Registration Form accessible for "everyone with the link". To add a link you can do it via 'Add evidence' -> 'Add text only', and provide the link to your material. If you provide a link to an external platform, it's important you make sure you grant access to it so all assessors can access.
